

Expectation of a legal casino in Yushu Prefecture Qinghai Province mainland China

Jurisprudence:

0.0 Yushu is a Tibetan autonomous prefecture of China.

0.1 Law of the People's Republic of China on Regional National Autonomy

Article 6.

The organs of self-government of national autonomous areas shall lead the people of the various nationalities in a concentrated effort to promote socialist modernization.

On the principle of not contravening the Constitution and the laws, the organs of self-government of national autonomous areas shall have the power to adopt special policies and flexible measures in the light of local conditions to speed up the economic and cultural development of these areas.

Under the guidance of state plans and on the basis of actual conditions, the organs of self-government of national autonomous areas shall steadily increase labour productivity and economic results, develop social productive forces and gradually raise the material living standards of the people of the various nationalities.

The organs of self-government of national autonomous areas shall inherit and carry forward the fine traditions of national cultures, build a socialist society with an advanced culture and ideology and with national characteristics, and steadily raise the socialist consciousness and scientific and cultural levels of the people of the various nationalities.

0.2 Law of the People's Republic of China on Regional National Autonomy

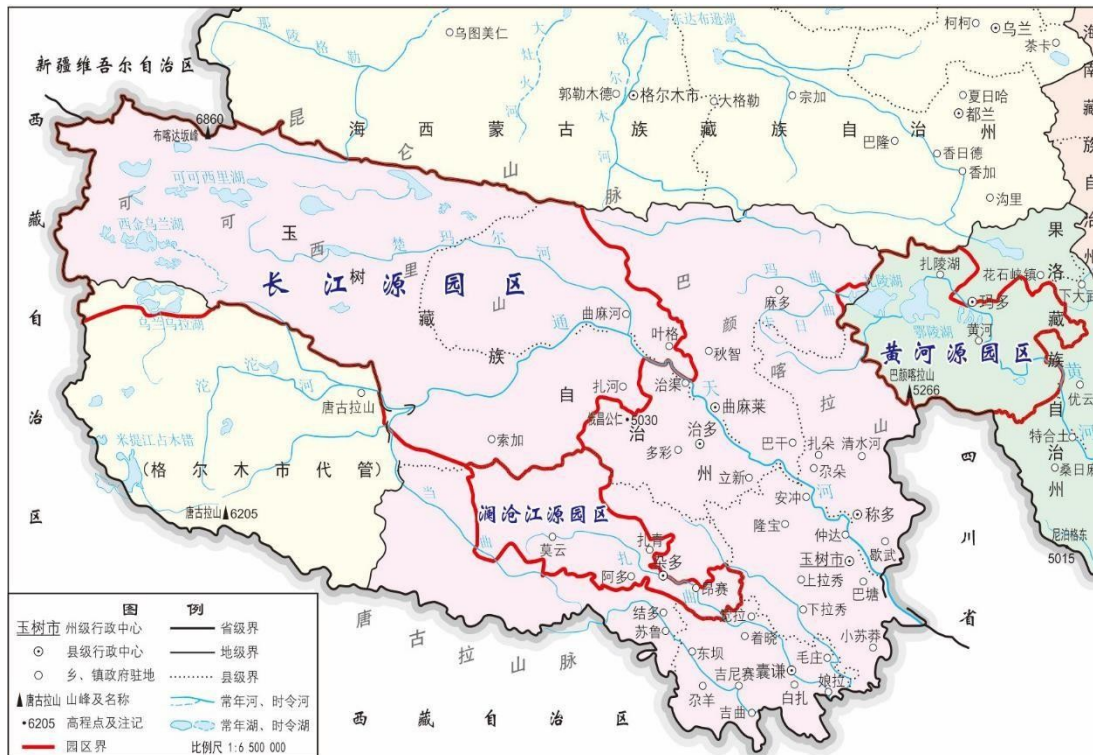

Article 19.

The people's congresses of national autonomous areas shall have the power to enact regulations on the exercise of autonomy and separate regulations in the light of the political, economic and cultural characteristics of the nationality or nationalities in the areas concerned. The regulations on the exercise of autonomy and separate regulations of autonomous regions shall be submitted to the Standing Committee of the National People's Congress for approval before they go into effect. The regulations on the exercise of autonomy and separate regulations of autonomous prefectures and autonomous counties shall be submitted to the standing committees of the people's congresses of provinces or autonomous regions for approval before they go into effect, and they shall be reported to the Standing Committee of the National People's Congress for the record.

It is possible to legalize casino in Yushu.

I will not doubt that the mainland of China is ruled by law, but it is more than just law.

Sanjiangyuan National park:

Sanjiangyuan literally means "the source of three rivers." the Yellow, the Yangtze, and the Mekong river.

Sanjiangyuan national park is the first national park of China, plan to be established in 2021

In June 2017, the Standing Committee of the People's Congress of Qinghai Province passed and promulgated the "Sanjiangyuan National Parks Regulations (Trial)"

In January 2018, the National Development and Reform Commission issued the "Sanjiangyuan National Park General Plan"

Deep inside the Tibetan plateau, Yushu is practically a no-man-zone with an airport.

When I looking around China, I see the era of legalized casino has come.
